

ENDURA

HIGH PERFORMANCE FILM

Endura High Performance Striping & Graphic Film is now available in Black, White, Silver, Charcoal and Matte Black. Developed to resist the power and heat of the sun, Endura is a first in the market to carry a 3 year warranty for horizontal applications. Endura is perfect for creating that muscular racing stripe look without the pricey fee your clients pay for a paint job. As always, feel free to contact us if you need additional information or technical assistance at 1-800-835-2054. For those of you with internet access, be sure to check out our website at www.u-p.com. It's a great resource for application tips and information about our entire product line.
